If you have any stories or articles to share with the mentoring community please let us know! The more our community learns about mentoring, the more likely its members are to become mentors. Send in your stories to [meredith@mobiusmentors.org](mailto:meredith@mobiusmentors.org) or to Burlington

Free Press's "My Turn" section to be published (and send us a copy as well). It truly is the stories and real life experiences that get people excited about mentoring, so share your experiences and help Mobius to develop a culture of mentoring in our community!
