

We'd like to recognize Rose Dauerer of Everybody Wins Mentoring program. Nora Doyle-Burr, Everybody wins Program coordinator will present this award.

Rose was chosen for this recognition because she has brought energy to this program. Her commitment is real and she is exactly the type of mentor we should be recognizing during National Mentoring Month. Rose and her mentee read together every week in Flynn's library. She is patient as her mentee sounds out words or is distracted by other mentor pairs. She and her reading buddy collaborate to read books together every week. Rose's patience and commitment to Flynn's morning program has allowed it to continue this year! In addition to this Rose moved from Burlington to Hinesburg this year, but she has not given up on the Everybody Wins! Flynn Power Breakfast. Rose drives from Hinesburg to the New North End of Burlington because she is committed to our program. We can't thank her enough! (136 words)

Thank you Rose for your enthusiasm as a mentor.
