

We'd like to recognize Kate Bailey of MOVE Mentoring program. Heidi St. Peter, MOVE Program coordinator, will present this award.

Kate works extremely well with her mentee, doing anything she can to make her feel comfortable in any situation. Every day when Kate goes to pick her up, she is always waiting with a big smile and excited to see Kate. Kate has taken her mentee in, just as if she was her own "little sister". From what I have seen so far, Kate has been such an inspiration to this little girl's life. Despite challenges with her mentee and family, Kate has taken the initiative to step up and come up with ways to work out these different problems, maturely and respectfully. Kate goes above and beyond with everything that she does.

In addition to being a mentor, Kate has stepped up and taken on the role as a leader in our program. Kate was just accepted as a new coordinator for our program and will be such a wonderful asset to our team. She is dedicated, hard-working, organized and a great communicator. (131 words)

Thank you Kate for being such a great big sister and a leader among your peers.
